(Through the Deputy Commissioner, Chitaldrug District.)

Sir,

I have the honour to forward herewith extracts from the resolutions of the District Board at their meeting held on 23rd Aug. 1935, in the matter of several objections raised by the Comptroller during the time of audit of accounts of the District Board for the year 1933-34 in respect of which sanction of Government is suggested to be sought.

The circumstances, under which the items of expenditure in respect of which objections have been raised were then incurred by the then Economic Superintendent during 1927-28 is not understood. But, however, it may be taken that no such expenditure could have been possibly incurred by that Officer without an authority from the then Ex-officio President of the District Board and as such, I request that you will kindly obtain sanction of Government and communicate the same to me early.

I have the honour to be,
Sir,
Your most obedient servant,

President.
